It's up to me; it's up to you. Help this planet earth to stay evergreen, everblue! Right now is when we're needed; we can all do something, the young, and the old together. The more we get together, the more we help this planet earth. Join us as we celebrate our earth - our home, and the importance of working together to take care of it.

The doors open at 1:45pm for seating with the show beginning at 2:00pm. Students in grades K-5 will perform various songs inspired by the artist Raffi along with their spectacular dance moves.
