

Cook-Wissahickon School presents...

The Winter Arts Showcase!

Since the start of the year, our elementary and middle school students have been spending a small part of their day honing a new talent or skill as a part of their Picasso classes under a Philadelphia theme. Now is the time for them to share what they have learned with their friends, family, and community! Please join us on this exciting evening and witness their hard work they have put in this year!

Date: December 12, 2019 Time: 6pm-8pm Location: Cook-Wissahickon School
